

# Champagne and Alsace ~ Wine Tour

*(3 nights Champagne | 4 nights Alsace | 2 nights Paris)*

Our wine tours are unique and exclusive; we take our clients to boutique wineries where they meet with the winemakers and taste at least 5 wines. We provide a full-time (24/7) private English-speaking guide & driver.

Everyone loves champagne, but not everyone has the opportunity to visit the Champagne region—from Reims to Epernay and Troyes. This short tour gives a unique insight into the art and science of bubbles, along with a private guided tour of the magnificent Reims Cathedral. Before concluding your journey, you will discover another marvelous cathedral in Strasbourg, the capital of Alsace. In between, you will explore the scenic Alsace Wine Route—170 km of medieval villages, half-timbered houses, castles, and Roman churches.
